Warrant

STATE OF NEW HAMPSHIRE

To the inhabitants of the School District in the Town of Stewartstown qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the 15th day of March, 1941, at 1 o'clock in the afternoon to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agents of the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
8. To see if the district will vote to make any alteration in the amount of money required to be assessed for the ensuing year for the support of public schools and the payment of the

statutory obligations of the District, as determined by the School Board in its annual report.

9. To see what sum of money the town will vote to raise to apply on the School Debt.
10. To transact any other business that may legally come before this meeting.

Given under our hands at said Stewartstown this 17th day of February, 1941.

Citizens of the Stewartstown School District:

General

In this hour of great world crisis when the rights of free men everywhere are threatened with destruction, it is mandatory that we pronounce in a positive and unmistakable manner our belief in the American Way of Life. We must not let anyone forget that liberty involves and requires the highest degree of individual and group responsibility and sacrifice. We must bend our every effort to wipe out greed, bigotry, biased opinion, ignorance, intolerance and all the other evils that beset our democracy.

We have faith in the youth of America. With the proper training in the home, the church and the school the vast majority of our youth will not become cynical and indifferent.

It is time for criticism to be changed to commendation, for distrust to give way to confidence and for doubt to yield to understanding to the end that all generations of Americans may dedicate their united efforts to the preservation of our liberty and freedom.

Notes on the Budget

The School Board's budget for 1941-42 totals \$17,383.00 as compared with \$17,590.00 for last year which was increased by special appropriation to \$18,615.00. The estimated income for the coming year is State Aid \$5,753.40, Dog Tax \$20.00 or a total of \$5,773.40. Approval of the budget as submitted would, therefore, require that \$11,609.60 be raised by taxation. This amount is \$1101.23 less than the amount actually raised last year.

Enrollment and Attendance

The total enrollment of 196 is 10 smaller than that of last year. There are 92 at West Stewartstown, 58 in the four rural schools and 46 tuition pupils.

The percentages of attendance were on the whole rather low, the most commendable records being made by the 5th and 6th grades at West Stewartstown and the Cedar Brook School. The South Hill School had the poorest record. The tardiness record for the Bear Rock School is by far the best there being but 12 tardinesses for the school year while the Cedar Brook School had the poorest record with 127. Many cases of tardiness can be avoided by a closer cooperation between the home and school.

Teachers

There were several changes in the teaching personnel of the district. Lillian Hart, who several years ago taught in Stewartstown, was selected to fill the vacancy in the Hollow School. Dorothy Walker was elected for the position at Bear Rock and Marie Greene filled the vacancy at Cedar Brook. Both the latter were graduated from Gorham Normal School. The North Hill School was closed so we have one less teacher this year than last.

Tuition

There are this year, at the present time, 34 tuition pupils at Canaan, 11 at Colebrook and 1 at Pittsburg for a total 46. (This is one more than at the corresponding time last year. Of this number 10 are seniors. There are 7 in the 8th grade at West Stewartstown and 9 in the 8th grade at East Stewartstown. This would seem to indicate that the number of tuition pupils for next year would remain approximately the same.

Buildings and Equipment

The school buildings are for the most part in

quite good condition. A new fence was placed around the yard at the Hollow School. The old double seats were removed at Bear Rock and individual movable units installed. The ceiling and walls at South Hill School were redecorated, new steps were made for the Cedar Brook School, all the pupil desks were sanded and varnished and new bulletin boards installed in the two lower rooms in the West Stewartstown School. Numerous other repairs and improvements such as varnishing, replacing glass, painting toilets, etc., were made to several schools.

The North Hill School was closed because of a very small enrollment. The pupils are being transported to the Hollow School.

The old oil burner, at West Stewartstown, which had for several years been giving considerable trouble was replaced by an automatic iron fireman. This unit was installed at a cost of \$439.85. It is believed that a very material saving will be made in the cost of heating the building. It would be difficult to hazard a guess at this time but we are convinced that the saving will be at least several hundred dollars.

The special appropriation last March and the completion of the R. E. A. lines in East Stewartstown made it possible for the school board to have the South Hill, Hollow and Cedar Brook Schools wired and connected. At the present time the Bear Rock School is the only school in use which can not be readily connected.

Health

The records of the school nurse for the past year show that 286 school visits and 273 home visits were made. The following corrections have been secured; vision 19, skin 5, pediculosis 22, teeth 186, tonsils 5 and vaccinations 8.

On January 6, 1940, 32 children were referred to an examination by Dr. Kerr of Manchester. Abnormal conditions; 7 chest, 2 heart and 4 throat were detected.

During this period 291 children attended dental clinics where the dentists did 127 cleanings, 82 extractions and 32 fillings.

Any child in the union may attend the dental clinics which are held at the offices of Dr. Dickson and Dr. Hughes. The local chapter of the American Red Cross has again very generously assisted financially in securing needed corrections.

School Debt

In accordance with a resolution adopted at the March meeting the school board re-issued notes for the school indebtedness at $2\frac{1}{2}\%$. This is a cut of $1\frac{1}{2}\%$ from the interest formerly paid.

The special appropriation of \$800.00 will reduce the school debt to \$3400.00. It is hoped that the school board may have a balance at the end of the year from which still further reductions can be made. A small appropriation each year for a few more years will entirely wipe out the district's indebtedness.

Conclusion

It is the purpose of the school to do everything possible to help train our boys and girls to become active reliable self-supporting citizens in a democracy.

I wish to take this opportunity to express my appreciation to the members of the school board, parents, teachers and friends for the interest they have shown in the schools and for their loyal cooperation during the past year.

Respectfully submitted,

ALBERT P. KNIGHTLY,

Superintendent of Schools.
